Data Base:

The data base program is fully functioning and up to date, during our last membership renewal I had approximately two hundred plus corrections that were made to individual members data base page. Correction included misspelling's of names, streets, dates etc. We currently have 948 individual records, these include associate members, regular members and pending members.

The top ten member who donate the most to the Legislative fund will be recognized in the Advisor, TLA website, receive an official thank you certificate or plaque and be recognized by name at the next membership meeting

2- Dues for members that paid halfway thru the year for next year

Due to the efforts of Amber, Tom Richards daughter, and some members that paid late for there membership in supporting TLA a motion was put before the board to prorate membership fees for regular members only. For members that paid after July 1st 2009 a \$25.00 prorate credit will be applied for there 2010 membership dues. This is a pilot program to encourage further support of your organization and will be reviewed next year and only will effect approximately twenty members.
